Vessels on trailers that pass inspection will be banded by Park Staff after leaving the water for the day. If band is intact when arriving for next launch, no inspection will be necessary. 3. Non-trailer vessels including Stand-Up Paddleboards and Float Tubes must be inspected EACH TIME they enter Santa Clara County waterways. A dated inspection receipt will be provided. 4. UVAS TICKETS MUST BE PRINTED AND PLACED ON YOUR DASHBOARD. Uvas Canyon County Park has implemented a parking reservation system. Starting January 1st, 2021, parking reservations will be required 7 days a week. Visitors must now book a parking spot in advance for a six-dollar vehicle entry fee. The time slot reservation is an arrival time, not a limited amount of time permitted in the park. Each reservation is valid for one (1) vehicle for specified date and time ONLY. Please make sure you leave yourself plenty of time to arrive within your ticketed time slot. As long as you are in line within your time slot, your ticket will be honored, although exact entry time is subject to traffic volume. Late arrivals cannot be guaranteed entry and will be subject to traffic volume. Please have your ticket ready prior to arriving at the park entrance. **TICKETS MUST BE PRINTED AND PLACED ON YOUR DASHBOARD.**

Park operations continue rain or shine. All ticket sales are final: no refunds, transfers, or exchanges. If Santa Clara County Parks closes the park due to harsh weather or unsafe conditions, you will be issued

a refund for the ticket price.
